

National Institutes of Health
Office of Strategic Coordination – The Common Fund

The goal is to advance new approach methodologies (NAMs) that will complement traditional mammalian research models and enhance research in many fields.

Complement-ARIE

Concept Planning Listening Sessions

The NIH Common Fund is requesting input from experts like you for developing a new concept called ***Complement Animal Research in Experimentation (Complement-ARIE)***.

Join the conversation by attending a listening session. Registration is required at <https://niehs.nih.gov/news/events/complement-arie>.

- **Industry and academic partners**
Monday, October 2, 2023 • Noon – 2:00 p.m. EST
- **Non-government organization representatives**
Monday, October 16, 2023 • Noon – 2:00 p.m. EST
- **U.S. government and international partners**
Monday, October 30, 2023 • Noon – 2:00 p.m. EST

If you can't make a meeting, send your comments to complement-arie@od.nih.gov
